RESPONSE TO COMMUNICATION OF JUNE 7, 2005

Applicant's review of the PAIR System indicates that Applicant was sent a Notice of Informal or Non-Responsive Amendment on June 7, 2005.

Applicant received a communication from the U.S. Patent Office dated June 7, 2005. However this June 7, 2005 communication did not indicate that Applicant's last response was informal or non-responsive.

It is Applicant's position that the Amendment filed on May 20, 2005 was fully responsive to all of the outstanding formal objections. The Patent Office communication of June 7, 2005 indicates that a response was made.

It is Applicant's position that the response addressed the outstanding formal objections, and does not touch on the merits of this application. Applicant respectfully requests that the Amendment be entered. Applicant is again enclosing another copy of the Amendment as filed

on May 20, 2005 for consideration. It is Applicant's position that no extension fee is necessary since the original Amendment was timely filed.

Should any other fax be pertinent to this application, the U.S., Patent Office is respectfully requested to inform Applicant's representative of any additional facts.

Favorable action is respectfully requested.

Respectfully submitted
for Applicant,
